dunes

Taking inspiration from the varying hues and undulation of sand hills, the Dunes collection from Century Outdoor offers a luxurious seating arrangement for outdoor spaces. Uniquely colored, the weave construction was selected for its natural and neutral tones which are complemented by the raw teak feet of the frames. The gracious curved back design reflects the windswept sands and creates a beautiful silhouette from every angle.

Designed for maximum comfort, the Dunes Collection includes a sectional, lounge chair, ottoman, and swivel lounge chair pieces all standard with plush loose cushions in Century's innovative Driluxe construction. You will also find an offering of our finest outdoor occasional pieces designed to complement the Dunes collection.

DUNES DESIGN ELEMENTS

- Built and finished like quality indoor furniture, but designed and engineered to perform beautifully for full-time outdoor exposure with routine maintenance.
- Frames are constructed of powder coated aluminum for durability.
- All Weather Resin weave shown in Stone Brown woven around the frame.
- Century's innovative Driluxe cushions on all seating are constructed of a water-repellent cover surrounding a high-resiliency foam core and wrapped with 100% polyester fiber, which is compliant with CAL 117 flame retardant standards.
- A superior selection of Sunbrella® brand performance fabrics to complement all collections are woven from 100% solution-dyed, UV stable acrylic fibers that resist fading, deterioration, and mildew.
